### Art. 8. – WAKO PRO weight classes and weigh-in procedure.

In any WAKO PRO event, kickboxers in each weight category will be weighed the day before the competition.

Promoter has to organize the official weigh-in at the time which is minimum 24 hours before the title bout.

WAKO PRO Supervisor will be allowed to modify these conditions in case of inevitable delay of kickboxers involved in the WAKO PRO event.

The WAKO PRO Supervisor will perform the weigh-in. WAKO PRO representatives of any country or coaches of kickboxers may be present, but they are not allowed to intervene on any occasion.

Each kickboxer will be officially weighed only once. The weight registered on that occasion is final.

However, if a kickboxer has not reached the right weight during the official weigh-in, he has an extra hour to make it.

The weight is what the scale shows when the kickboxer is undressed.  
The weight must be displayed in metric measures. Electronic scales can be used.  
A kickboxer is allowed to fight solely within the category defined by the weigh-in.

Each kickboxer must be in possession of a medical certificate stating he/she is **“FIT TO FIGHT”** issued by authorized medical institution for that specific WAKO PRO event only.

Each kickboxer must be in possession of full insurance covering that specific WAKO PRO event only.

## Chapter two – Bout rules

### Art. 1. – The ring.

- **Canvas size:** The minimum size of the inside of the ropes must be 490 cm squared (16 feet) and the maximum size 610 cm squared (20 feet). The size of the apron must extend at least 46 cm (18 inches) outside the line of the ropes on each side, including additional canvas necessary to tighten and secure it.

- **Height of ring:** The ring cannot be less than 91 cm (3 feet) or more than 122 cm (4 feet) above the ground.

- **Platform and corner pads:** The platform of the Ring must be safely constructed, leveled and free from any obstructing projections. The minimum size of the platform must be 580 cm squared (19 feet) and the maximum size 762 cm squared (25 feet). It shall be fitted with four corner posts which shall be well padded or otherwise constructed so as to prevent injury of the kickboxers. The corner pads should be arranged in the following way: In the near left side corner facing the WAKO PRO Supervisor - RED; in the far-left side corner - WHITE; in the far right side corner - BLUE; and in the near right side corner - WHITE.

- **Kickboxer's position in the ring:** The title holder, domestic kickboxer or kickboxer currently better ranked in the official WAKO PRO ranking, shall be announced and enter the ring second and will fight out of the BLUE corner. The challenger, foreign kickboxer or kickboxer currently lower ranked in the official WAKO PRO rankings shall be announced and enter the ring first and fight out of the RED corner.

• **Surface of the ring floor:** The floor must be covered with felt, rubber or other suitably approved material having the same quality of elasticity and not less than 1.5 cm (0.6 inch) nor more than 2.5 cm (0.98 inch) thick over which a canvas shall be stretched and secured in place. The canvas must cover the entire platform and must be made of non-slippery material.

• **Ropes:** There must be 4 separate ropes on each side of the ring (3 ropes in case of “force majeure”). They must be 4 cm thick, without considering the cover. The heights of the four (4) ropes must be:

- First on 40.6 cm (16 inches)
- Second on 71.1cm (28 inches)
- Third on 101.6cm (40 inches)
- Fourth on 132.1cm (52 inches) from the canvas

The four ropes must be joined on each side of the ring, at equal intervals, by two pieces of material (close to the texture of the canvas) 3 – 4 cm (1.2 – 1.6 inches) wide. The two pieces must not slide along the rope. The tension of each section of the rope must be strong enough to absorb the impact of the kickboxer’s contact with the rope. However, in any case, the Supervisor reserves the right to adjust the tension if necessary.

• **Steps:** The ring must be provided with at least three sets of steps. Two sets of steps at the opposite corners (red and blue) for the use of the kickboxers and seconds, and one set of steps in the neutral corner (white) for the use of the Referee, Official Doctor and Announcer.

• **Sanitary bags:** In the two neutral corners outside of the ring, a small plastic bag can be fixed in each corner in which the Official Doctor can drop the cotton or tissue pads used to nurse bleedings.

#### **Art. 1.1. – Accessories of the ringside.**

The following are defined as the accessories of the ringside which are required for all WAKO PRO events:

- Gong (with striker) or bell.
- Two seats for kickboxer’s use during intervals.
- Two plastic mugs can (one in red another in blue corner) to be used for drinking and mouth wash only, and where water is not piped directly to the ringside, two plastic spray bottles and two small plastic bottles for drinking. No other type of water bottle is permitted at ringside for use by the kickboxers or seconds.
- Tables and chairs for officials.
- One (preferably two) stop watches.
- One first-aid kit.
- One microphone connected to the loudspeaker system.
- Two (2) pairs of boxing gloves.
- One stretcher.
- WAKO PRO scoring papers.

## **Art. 2. – Safety equipment.**

The WAKO PRO General Director and/or the WAKO PRO Supervisor must approve all safety equipment.

Producers of safety equipment must get their products approved by WAKO PRO.

Safeties to be used in World, Intercontinental and Continental title bouts must be approved at least 1 month before the title bout takes place and kickboxers involved must be duly informed.

All uniforms and safety equipment must be clean, correct and in good and safe condition.

### **Art. 2.1. – Gloves.**

In all WAKO PRO bouts kickboxers are obligated to wear boxing gloves of the equal weight, equal model and brand.

The color of the gloves should be the same of the kickboxer's corner (red corner-red gloves, blue corner-blue gloves). It is allowed to have gloves of different color but in that occasion, gloves must not be the same color for both kickboxers.

Gloves (boxing gloves) for K1 rules which are used in official WAKO PRO bouts must be approved by the WAKO PRO General Director and/or the WAKO PRO Supervisor and checked by the Referee.

The weight of the gloves must be:

For male fighters:

- 6/8 oz (170 grams) from -52.700 kg to -60.000 kg.\*ANNEX 1\*
- 8 oz (226 grams) from -62.200 kg to -75.000 kg
- 10 oz (283 grams) from -78.100 kg to over + 94.100 kg.

For female fighters:

- 6 oz (170 grams) from 50.000 kg to -62.000 kg.
- 8 oz (226 grams) from 65.000 kg to over +74.000 kg.

#### **\*ANNEX 1\***

As part of the 6 oz gloves size for Europe, Panamerica, and Africa, suppliers will create the similar frontal protection like amateur gloves, to have less face injuries.

If the promoter does not provide gloves of 6 oz with the same protection like amateur, the use of 8 oz gloves is mandatory in the weight from -52.700 kg to -60.000 kg, for male fighters.

In each title fight from the champion side, or the promoter, there can be special contract clause to change the gloves to 6 oz without frontal protection like amateur gloves, in the

weight from -52.700 kg to -60.000 kg, for male fighters.  
To this contract both fighters must be agreed, and must have the permission of Wako Pro HQ.

For Asia, the use of 6 oz gloves is mandatory in the weigh from -52.700 kg to -60.000 kg.

The weight of the gloves must be clearly marked. Gloves are produced from special foam rubber, synthetic, compact and soft material which is covered with genuine or artificial leather.

Gloves must make it possible for the kickboxer to completely clench his fist and keep his thumb in contact with other fingers.

Gloves completely cover the kickboxer's fist with separate parts for fingers and thumb.

The thumb is connected by a small strong strip to the rest of the glove.

This strip keeps the thumb together with other fingers to avoid separation of the thumb during punching and injuries to the kickboxer's thumb or to the other kickboxer.

Inner foam rubber material must cover the front and upper part of the fist, edge of palm and upper and front part of thumb.

The interior part of gloves covers the bottom part of fingers and palm only with leather and cover a minimum of 5 cm of the wrist.

Gloves will be fastened by laces at the kickboxer's wrist and then sealed with tape.

It is mandatory to fasten boxing gloves with self-adhesive cotton-base tape over the laces.

Use of self-adhesive cotton-base tape is allowed (plastic or other types of self-adhesive tape are not allowed). Fastening gloves with strips or any kind of buckles is not allowed.

**Art. 2.2. – Hand and foot wraps. (bandage)**

Hand wraps are used for wrapping the fist to avoid injuries, not to add force to a strike.

Using hand wraps are mandatory.

Hand wraps are minimum 300 cm, or maximum 450 cm long and 5 cm wide cotton strips with sharp edges. Hand wraps will be fastened on the upper part of kickboxer's wrists with self adhesive cotton base strips; maximum length 15 cm and width 2 cm. It is allowed to stick the wraps with the self adhesive cotton base tape.

The tape must be applied less than 2 cm (0.8 inches) in front of the knuckles. The tape can be applied between the fingers and can cover striking area of the fist but not more than 1 cm (0.4 inches) thick.

It is possible to use bandages on the feet or foot.

Bandages must be also used to protect kickboxer's ankle and instep.

They are minimum 300, or maximum 450 cm long and 5-8 cm wide cotton strips with sharp edges. They must be stuck with the self adhesive cotton base tape. They must cover kickboxer's instep but not closer than 5 cm (2 inches) from the beginning of the toes.

They can cover kickboxer's lower part of the shin but not higher than 5 cm (2 inches) from the ankle and can not be more than 1 cm (0.4 inches) thick. It is not allowed to use any additional material which can make bandage hard such as plastic, wood,...

It is mandatory to use elastic ankle support over bandaged ankle and instep.

Elastic ankle support must completely cover bandage in order to prevent its damaging during the bout.

Elastic ankle support can be in different colors and brands.

Both hand and foot bandages must be soft and approved by WAKO PRO Supervisor before the bout starts.

### **Art.2.3. – Tooth protection. (mouth guard)**

Tooth protection (mouth guard) is mandatory for all male and female kickboxers.

Mouth guards must be made from soft and pliable rubber-plastic material and can be of any color beside red one.

Protection on only the upper teeth or on both upper and lower teeth is allowed. Mouth guard must enable free breathing and must be adapted to the kickboxer's mouth configuration.

It is allowed to use a mouth guard over tooth correction apparatus (braces, retainers) only with written approval of doctor which has to be included in kickboxer's medical report stating "Fit to fight".

### **Art.2.4. – Groin protection.**

Groin protector is mandatory for all male and female kickboxers.

Groin protector is made of hard plastic material and fully covers genital organs to protect this part of kickboxer's body from any injury. The groin protector can be made as a cup for covering genitals, or for covering the entire abdomen. Kickboxers must wear the groin protection under their uniforms.

### **Art.2.5. – Breast protection.**

Breast protection is mandatory for female kickboxers.

Breast protection is made of hard and durable plastic material covered with fabric. Breast protection can be formed from one piece to cover the entire chest or two pieces to be included in the bra.

### **Art. 3. – Uniforms.**

Kickboxing shorts must extend from the waist to half thigh (minimum length) or three quarters thigh (maximum length) and have no pockets. Shorts are worn by male and female kickboxers in K1 rules bouts.

The waist band must be from 8 to 10 cm wide, the same or different color from that of short.

There can be sponsor's names or badges on shorts.

Bodice (upper, top) is worn by female kickboxers in K1 rules bouts.

Sponsor advertising or logos may be worn on the uniform in the following manner:

- Top: On the front or back side.
- Shorts: on the side between the knee and the hip area, on the central front or back side.

If the Promoters and sponsors do not wish the kickboxers to wear advertising other than their own, the Promoter and his sponsor must provide sponsorship to the kickboxers equal to the amount they have given up from their individual sponsor.

#### **Art. 4. – Kickboxer’s uniforms and equipment.**

##### **Art. 4.1. – K1 rules.**

- Mouth-guard, (breast protection for female kickboxers), boxing gloves, hand and foot wraps, groin protection and an ankle protection (foot wraps - bandage and elastic ankle support).
- Male kickboxers wear shorts (bare torso) and female kickboxers wear a bodice (upper, top) and shorts.
- Wearing of mongkon and paprachiat is forbidden.

#### **Art. 5. – Procedure for equipment and uniform check.**

Kickboxer’s safety equipment and uniform check will be done before the bout starts by the Referee who must be completely sure that safety equipment and uniform of each kickboxer is fully functional and in accordance with WAKO PRO rules.

Referee will check safety equipment and uniform of the kickboxer when kickboxer is in the ring. Referee will disqualify from competition any kickboxer who refuses to wear safety equipment.

During the bout if kickboxer’s glove or dress becomes undone or damaged, the Referee must stop the bout until safety equipment is repaired and its condition becomes again in accordance with WAKO PRO rules.

Kickboxers must be suitably conditioned to participate in their chosen discipline.

They must have no injuries or illness which may harm themselves or other kickboxer.

Kickboxer’s face must be naturally dry and reasonable grease is allowed.

It is possible to use liniment on the legs 2 hours before the bout starts, but not thai liniment.

Male kickboxers are allowed to wear beard but its length must not extend more than 2 cm.

It is not allowed to enter a bout while bleeding, with any sticking plaster casts, tampons in nostrils, any cuts or scratches, any kind of jewelry, earrings, studs or other adornment.

No tongue piercing and belly button piercing allowed either. Binding hair with any kind of metal, plastic or hard buckle is not allowed. Only elastic or cotton strips are allowed for this purpose.

## Art. 6. – Officials.

WAKO PRO Judges/Referees must attend WAKO PRO International seminars during which they have to pass exams (theoretical and practical) in order to be licensed.

After approval of the license WAKO PRO Judges/Referees must sign Contract with WAKO PRO specifying their duties and rights.

**WAKO PRO Judges must use clickers to count the scoring points while on duty.**

During WAKO PRO events, each bout must be supervised by a WAKO PRO Referee, who will officiate in the ring, but will not score the bout.

Three WAKO PRO Judges, who will be seated away from the spectators, must grade each bout. Each of the three Judges must be seated in the middle of respective side of the ring separate from the other two Judges.

In each WAKO PRO title bout, to ensure neutrality, the WAKO PRO Technical Director will appoint WAKO PRO officials respecting following rules:

WAKO PRO Supervisor will be named from WAKO PRO Judges/Referees and he can come from the country where WAKO PRO title event is taking place.

2 Judges will come from a country different from that of the other Judges and from that of the two kickboxers (Neutral Judges).

One Judge will come from the country where WAKO PRO title event is taking place.

Referee will come from the country where WAKO PRO title event is taking place or he can be named from the country different from that one and from that of the two kickboxers.

WAKO PRO officials appointed for named WAKO PRO event, will not at any moment of the WAKO PRO event be allowed to act as a manager, trainer, coach or second of a kickboxer or team of kickboxers taking part in a bout.

The WAKO PRO Referee and the Judges have to be dressed in the following manner: Clean black pants, WAKO PRO T-shirt or one given by the Promoter, and black gym shoes without laces.

### **Art. 6.1. – WAKO PRO Supervisor.**

WAKO PRO Supervisor is responsible for verifying and securing that each WAKO PRO event is organized fully in compliance with the WAKO PRO rules.

The WAKO PRO Supervisor must:

Perform the weigh-in:

Make sure that Promoter has fulfilled all of his financial obligations to participants of the WAKO PRO event (kickboxers and officials). Promoter must make all payments immediately after the weigh-in was done and kickboxers are declared ready to fight.

Appoint the Referee and Judges for each bout.

Monitor and improve the standards of the Referee and Judges and ensuring conformity to the rules and standard practice.

Verify that the Referee and Judges perform their duty and responsibilities and inform the WAKO PRO Technical Director if any irregularity takes place.

- Solve any prior problem regarding the promotion, reporting the result to the WAKO PRO Technical Director.

  - the score has been tallied correctly;
  - the names of the kickboxers are correct;
  - the correct winner has been named;
- Authenticate the scoring papers and inspect the score;
- Announce the result of the bout to the Announcer;
- Make any decision in case that the Referee or Judges could not continue;
- Report to the WAKO PRO Technical Director if there was any violation of the WAKO PRO rules made by kickboxers or any other official involved in WAKO PRO event;
- And that all results, photos and general information will be sent to WAKO PRO Management in the next five days from the day that WAKO PRO event was held.

### **Art.6.2. – WAKO PRO Referee.**

#### **Designation and Participation:**

In approved WAKO PRO events, each bout shall be controlled by a WAKO PRO Referee who will officiate in the ring but will not score the bout.

- **Duties:**
  - The WAKO PRO Referee must:
    - Verify that the WAKO PRO rules and fair play are strictly observed;
    - Take care of the safety of the kickboxers;

- Maintain control of the bout at all its stages;
- Prevent a weak kickboxer from receiving undue and unnecessary punishment;
- Use three words of command:
  - “Stop” when ordering the kickboxers to stop fighting.
  - “Fight” when ordering the kickboxers to continue fighting.
  - “Break” when breaking a clinch, upon which command each kickboxer must make one step back before continue fighting.
- Indicate to a kickboxer by suitable explanatory signs or gestures any violation of the rules;
- In case of one or both kickboxers are deaf, the Referee can use a touch by hand on the shoulder or on the arm to “stop” and to “break” the bout.
- The Referee will not indicate the winner, by raising a kickboxer’s hand or otherwise, until the announcement has been made.
- When the Referee has disqualified a kickboxer or stopped the bout, the Referee must first inform the WAKO PRO Supervisor which kickboxer has been disqualified or the reason for which the bout was stopped, and enable the WAKO PRO Supervisor to instruct the announcer to make the decision correctly known to the public.
- He must give all commands in English.
- He will be responsible for the enforcement of the WAKO PRO rules throughout the bout and ensure that all scores, penalties and warnings are recorded.
- At the end of a bout, gather and check the scoring papers of the three Judges. After verification, he must hand them to the WAKO PRO Supervisor.
- When the winner is announced, the Referee must raise the kickboxer's arm indicating him/her as a winner of the bout.

#### **Authorities of the Referee.**

- To stop a bout at any stage if he considers it to be one-sided.
- To stop a bout at any stage if one of the kickboxers has received an unauthorized blow or injury on account of which the Referee decides that the kickboxer should not continue.
- To stop a bout at any stage if he considers the kickboxers are not behaving according to the WAKO PRO rules. In such cases, the Referee may disqualify one or both kickboxers.
- To caution a kickboxer or to stop the bout and give a warning to a kickboxer who has committed a foul in accordance with the WAKO PRO rules.
- To disqualify a kickboxer who fails to comply immediately with the Referee’s orders, or behaves towards the Referee in an offensive or aggressive manner at any time.
- To caution, to remove and to disqualify a coach who has infringed the WAKO PRO rules.
  - With or without previous warning, to disqualify a kickboxer for committing a foul.
  - In case of a knock-down, to suspend a count, if a kickboxer who has delivered strikes deliberately fails to retire to a neutral corner or delays to do so. He will continue counting when kickboxer stands in the neutral corner facing center of the ring with his hands down.
  - To interpret the rules insofar as they are applicable or relevant to the actual contest or to decide and take action on any circumstance of the contest which is not covered by a rule.

The Referee’s vision must be correctable to 20/80 or better. The wearing of spectacles by a Referee during a bout is not permitted, but contact lenses are allowed.

The Referee must check the right positions of Judges before the bout.

### **Health and security.**

The Referee must use medical gloves and he must change them after every bout.

- The Referee is not allowed to intervene in occasion of any bleeding of a kickboxer. It must be done by coach or, if necessary, by Official Doctor.

▪ In case of injury, cut or bleeding the Referee must stop the bout and call for Official Doctor. In that occasion the Referee's duty is to make sure that Official Doctor can approach to the injured kickboxer by bringing kickboxer to neutral corner if possible, or, in case that kickboxer is on the floor, to make sure that Official Doctor and his assistants will be the only one inside of the ropes at that moment.

### **OFFICIAL WARNING.**

**Official warning (minus point)** – If a kickboxer commits a rule violation, the Referee must stop the action to warn him about violation. In case that rule violation is serious or it was committed second time after the warning Referee must order a point deduction.

To order a point deduction, the Referee must show the action clearly for the kickboxer to understand the reason and objective of the point deduction.

The Referee must show his hand signal to all Judges telling that there is an order to deduct one point.

Referee must point to the kickboxer and clearly show which one will be deducted one point. Only four official warnings may be given to the same kickboxer in one bout. The fourth official warning is disqualification of a kickboxer.

The procedure starts from:

- Caution: addressing only to the kickboxer.
- Verbal warning: addressing only to the kickboxer.
- 1<sup>st</sup> Official warning: addressing to the kickboxer and Judges.
- 2<sup>nd</sup> Official warning: deduction of one point (first minus point) addressing to the kickboxer and Judges.
- 3<sup>rd</sup> Official warning: deduction of one point (second minus point) addressing to the kickboxer and Judges.
- 4<sup>th</sup> Official warning is disqualification of the kickboxer.

The kickboxer who does not obey the instructions of the Referee, acts against the rules, fight in any unsportsmanlike manner, or commits fouls will be cautioned, warned or disqualified.

**Caution.** (for committing any rule violation) can be given to a kickboxer without stopping the bout nor the time.

**Verbal warning.** The referee has to stop the bout, but not the time, if he wants to give the verbal warning.

**Caution and Verbal Warning** can be given only once

**1<sup>st</sup> Official warning** will be given to a kickboxer for committing a foul. It can be given without previous Verbal warnings in case that in Referee's opinion foul is such a kind that kickboxer who committed it must be warned by Official warning.

**2<sup>nd</sup> Official warning – deduction of one point (first minus point)** will be given to a kickboxer for committing a foul of the same or different kind that one for which kickboxer has already been given Official warning. Official warning (first minus point) can be also given to a kickboxer for committing a foul without previous Verbal or an Official warning given in case when foul is heavy rule violation.

**3<sup>rd</sup> Official warning – deduction of one point (second minus point)** will be given to a kickboxer for committing a foul of the same or different kind that one for which kickboxer has already been given 2<sup>nd</sup> Official warning – deduction of one point (second minus point).

**4<sup>th</sup> Official warning – disqualification.** Kickboxer will be disqualified for committing a foul of the same or different kind that one for which kickboxer has already been given 3<sup>rd</sup> Official warning – deduction of one point (second minus point).

It is not need for the referee to say First Official warning, Second Official warning, or First Minus point, Second Minus point, etc.

It should be:

Official Warning-Minus Point-Minus Point-Disqualification.

Kickboxer can be disqualified without previous Official warnings for committing a heavy foul and that in Referee's opinion foul is such a kind that kickboxer who committed it must be disqualified. Before taking any of such a decision Referee can consult WAKO PRO Supervisor.

If a Referee thinks that an offense has been committed without his knowledge, he will have the right to stop the bout and consult the WAKO PRO Supervisor.

After each warning given the Referee will order the kickboxers to start fighting again giving a command Fight.

**NOTE:**

In case of one of the fighters throw out voluntary the mouth guard to stop the fight once, the central referee must give to him a first (1) official warning.

In case of the same fighter throw out the mouth guard again, for the same reason, the central referee must give to him a second (2) official warning, a first minus point, and so, successively.

### **Art. 6.3. – WAKO PRO Judge.**

Each Judge must independently consider the merits of the two kickboxers, and must chose the winner, according to the WAKO PRO Rules.

During the bout, he will not talk to kickboxer, other Judges, or anybody else, with the exception of the Referee.

He may, if necessary, at the end of a round, notify the Referee about any incident that he has missed, for example tell him about the misbehavior of a coach, loose ropes, etc.

A Judge will use clickers to count the points. Judge will use back side of scoring paper to mark the points he counted for each kickboxer separately.

Points will be marked by numbers for each round separately at the end of each round.

According to the number of points, on the front page of scoring paper, Judge will give 10 to 8 marks to each kickboxer in following system:

- If the score of points is the same or 1 point difference, 10 – 10.
- If the difference of the points is from 2 to 8, 10 – 9 for fighter achieved more points.
- If the difference of the points is more than 8, 10 – 8 for fighter achieved more points.

Always the red corner is on the left side and the blue corner on the right side of both sides of the scoring paper.

Judge will not leave his place until the decision has been announced.

### **Awarding of Points (judge's score).**

In awarding points, the following rules must be respected:

#### **Concerning strikes.**

During each round, a Judge will mark respective score for each kickboxer, according to the number of strikes that each one has delivered.

To be scored, a punch, kick or a knee strike must come in time from the right distance, with full power and speed, with absolute balance, with legal striking area, landed on legal target area and not to be blocked, even partially deviated or stopped.

Sweeping technique (foot sweep) will be scored only in case if the unbalanced kickboxer after such a technique touches the canvas by any other part of his body but his feet or, in case of close distance, he grabs his opponent and lean on him in order not to touch the canvas by any other part of his body than feet.

The number of recorded strikes (points) in a bout will be counted at the end of each round and written to each kickboxer on the back side of the scoring paper.

According to points made Judge must give score to each kickboxer on the front side of the scoring paper.

Strikes made by a kickboxer will not be taken into account as points:

- if they were contrary to the regulations
- if they were not delivered from the right distance
- if they did not come with full power
- if they did not come with legal striking area or landed on legal target area
- if they land on the arms or if they are blocked even partially deviated
- if they come without balance or watching the opponent at the time of delivery

For all legal techniques (punches, kicks, knee strikes or sweeping technique), Judge will note 1 point on his clicker.

Points will be given per round. No fractions of points will be given. At the end of each round, the kickboxer who has scored more points will receive score 10 and his opponent proportionally less.

Each knock down in the round will be score to a kickboxer that was knocked down. In case of a knock down, the judge must write KD in the scoring paper and give 1 minus point to the fighter who was knocked down.

### **Concerning offenses**

During each round Judge cannot penalize each offence he sees, regardless of whether the Referee has noticed it or not.

He has to call the Referee's attention to that offense. If the Referee gives an Official warning to one of the kickboxers, the Judges mark it in the appropriate column next to the points of the kickboxer who has received the warning.

In case of minus points Judge must take it away from his final score.

### **Art. 6.4. – WAKO PRO Timekeeper.**

- The task of a timekeeper is to keep track of the number and the duration of the rounds as well as of the breaktime.
- He will be seated at ringside.

- Ten seconds before the beginning of each round, he will clear the ring, giving order "Seconds out" to announcer
- He will ring the gong at the beginning and at the end of each round.
- He will stop the bout temporarily, when asked to do so by the Referee.
- He will keep track of extra time with a watch or a stopwatch
- If, at the end of a round, a kickboxer is on the floor, and the Referee is counting, the Timekeeper must not ring the gong before Referee finish his count and order "Fight". This rule will not apply only if such a case happens in the last round of the bout. In this case Time keeper will ring the gong at the end of the round no matter if Referee is still counting or not.
- Break intervals between the rounds will last one minute.

#### **Art. 6.5. – Announcer.**

For all Approved WAKO PRO events, the Official Announcer must have the following qualifications: Fluent in multi-languages (English is mandatory). Official Announcer must have basic understanding of the WAKO PRO Rules. The Promoter of the WAKO PRO event is responsible to hire a professional Announcer for the entire event.

- He will be seated at ringside and instructed by the WAKO PRO Supervisor;
- He will announce the number of the round, before it starts;
- He must announce clearly and succinctly communications of the WAKO PRO Supervisor to the public;
- Ten seconds before the beginning of each round, he will clear the ring, giving order "Seconds out";
- To announce the kickboxer's names, corner and weight prior to the bout and again as the kickboxers arrive in the ring;
- To order the coaches to leave the ring when the gong rings;
- To announce the winner's name and corner.

#### **Art. 6.6. – Coach and Second.**

A coach and a second must obey the following rules when assisting each kickboxer.

- Only the coach and the second may get into the ring and only one of them at time may be inside the ropes.
- A second can give up the fight on behalf of his kickboxer, and can also, if the kickboxer is in great difficulty, toss the towel into the ring, except while the Referee is counting.
- During the bout, neither the coach nor the second can be on the ring platform. They must, before each round, remove stools, towels, buckets, etc.
- No coaches will be allowed to enter the ring while a bout is in progress.
- Any coach, second or official, encouraging or prompting the spectators to give signs of advice or encouragement to a kickboxer during a round, can be suspended from his function in the bout in course.
- A coach or a second who violates the rules may receive a warning or be disqualified

by the Referee.

- A coach and second must be dressed in following manner: t-shirt or truck suit (it is allowed to wear sponsors name and name of the country/gym on it), truck suit (no shorts allowed), gym shoes (no slippers allowed). A coach and second cannot during the bout wear any kind of hat.

#### **Art. 7. – Decisions.**

The following decisions could bring the fight to an end:

- **Win by points (P).** At the end of a bout, the winner shall be determined on the basis of the total number of points scored during the bout.

The kickboxer having scored the most points shall be declared the winner.

If one or both kickboxers have suffered head or face area injury, due to head clash, and cannot continue the bout, the kickboxer having scored more points at the time when the bout is stopped shall be declared as the winner.

In case that both kickboxers are injured at the same time, and cannot continue the bout, the kickboxer having scored more points at the time when the bout is stopped shall be declared as the winner.

This rule will apply only in case that injury was not caused intentionally and if there are already two rounds finished.

- **Win by retirement (AB).** If a kickboxer retires voluntarily owing to injury or throwing a towel in the ring by a second, or if the kickboxer fails to resume fighting immediately after the rest between rounds, the opponent shall be declared the winner.
- **Win by Referee stopping contest (RSC).** Outclassed – RSC is a term used to stop a bout when a kickboxer is outclassed or is unfit to continue. If a kickboxer, in the opinion of the Referee is being outclassed or is receiving excessive punishment, the bout shall be stopped and the opponent declared the winner.
- **Win by Referee stopping contest injury (RSCI).** If a kickboxer, in the opinion of the Official Doctor/Referee, is unfit to continue because of injury sustained from correct blows or other action or is incapacitated for any other physical reason, the bout shall be stopped and the opponent declared the winner by RSCI. The right to make this decision rests with the Referee, who must consult with the Official Doctor who has the right to direct to the Referee to stop the bout by using any form of communication methods. When a Referee calls Official Doctor to the ring to examine a kickboxer, only these two officials must be present. No other person must be allowed into the ring, or on the apron.
- **Win by disqualification (DISQ).** If a kickboxer is disqualified, opponent will be declared the winner. If both fighters are disqualified, the decision shall be

announced accordingly. A disqualified kickboxer for any unethical behavior or disciplinary matters shall not be entitled to any prize, medal, trophy, honorable award, or grading, relating to any stage of the competition in which this kickboxer has been disqualified and the misconduct should be reported to the WAKO PRO Management.

- **Win by Knock-Out (KO).** If a kickboxer is “down” and fails to resume fight after he is counted out to ten, the opponent shall be declared the winner by a knock-out.

After receiving 3 count downs in the bout, the fighter will be declared out.

If case of count down the central referee must count to 8 or 10, depending on whether the competitor is down or not, and end the fight, giving the opponent the winner.

- **Win by (RSCH).** If a kickboxer is unfit to continue and fails to resume fighting having received hard blows to the head, the opponent shall be declared the winner by RSCH.
- **No contest (NC).** A bout may be terminated by the Referee within the first round to a material happening outside the responsibility of the kickboxers, or the control of the Referee, such as the ring becoming damaged, the failure of the lighting supply, exceptional weather conditions, etc. In such circumstances, the bout shall be declared “no contest”.
- In the case of WAKO PRO title bout if both kickboxers are injured which was not caused intentionally and cannot continue the bout but there were not already two rounds finished, the bout will be declared “No Contest” and the title holder will keep his title. If one or both kickboxers have suffered head or face area injury, due to head clash, and cannot continue the bout, the same rule will be applied.
- **Decision in case of draw.** At the end of a contest, if the kickboxers are equal in points, the decision shall be made by the majority of the Judges based on the following performances of the kickboxer:
  - who gets more KD.
  - who was better and won the last round
  - who was more aggressive.

• **Incidents in the ring outside the control of the Referee.** If something happens that does not allow the bout to continue within the first round, the fight must be declared “No Contest”, e.g. power failure the bout shall be stopped and it is not possible to continue. If the incident occurs at the second round, or more, of a bout, the contest shall be terminated and the Judges are asked to give a decision as to the winner of the bout. If bout must be stopped and can be resumed the score will be recorded and taken over to the time to resume the bout.

## **Art. 8. – Changing a decision.**

All public decisions are definitive and cannot be changed unless:

- Mistakes which occurred in calculating the points are discovered.
- One of the Judges declare he made a mistake and switched the scores of the kickboxers.
- There are evident violations of WAKO PRO rules.

### **Regular protests.**

If a team wants to protest a result, it must deliver to the WAKO PRO Supervisor a written protest within and no later than 15 minutes after the bout. The written protest must describe clearly the problem. The WAKO PRO Supervisor must consult all Judges and Referee involved about the problem. The protest will be handled immediately. A protest's cost is of 100 EURO and must be paid up-front. If the protest is successful the money will be refunded.

### **Irregular protests.**

Irregular protests regarding disagreements of decisions, where kickboxers protest by delaying further program in the ring, such as sitting down in the ring, decided by himself or stimulated by his coach/team to do so, will be reacted on by the WAKO PRO Supervisor directly who has all power according to WAKO PRO rules to ensure that the event will continue. The WAKO PRO Supervisor can, if it is necessary, ask for assistance of security to provide fulfillment and respect of the WAKO PRO rules. A protest will only be handled in a written letter and a protest will not be handled if actions mentioned above are in place.

### **Video evidence.**

Video footage is not applicable to WAKO PRO events. Video footage may not be used to resolve any queries, complaints or points of clarification.

## **Art. 9. – Definition of K1.**

- Continue after the command "stop" or "break" or end of the round has been given.
- Wai khru.
- Muay Thai music during the bout.
- Any violation of the rules will, depending of the type, lead to warnings or even disqualification.

## **Art.13. – On the floor (“Down”).**

### **Definition of “Down”.**

- If the kickboxer touches the floor with any part of the body other than his feet as the

result of a strike or series of strikes received.

- If the kickboxer hangs helplessly on the ropes as the result of a strike or series of strikes received.

- If the kickboxer is outside or partly outside of the ropes as the result of a strike or series of strikes received.

- If after receiving a hard strike the kickboxer has not fallen and is not lying on the ropes, but is in a semi-conscious state and cannot, in the opinion of the Referee, continue the bout.

- For any knock down, a minus point must be given to the kickboxer undergoing the KD.

### **Counts during “Down”.**

In the case of a knock down, the Referee shall immediately begin to count the seconds.

When a kickboxer is “down”, the Referee must count starting from one with intervals of a second between the numbers, and must indicate each second with the hand in such manner that the kickboxer who has been knocked down may be aware of the count. Referee must count to eight and if the kickboxer is ready, Referee will bring both kickboxers to the center of the ring and command “fight” in order to both kickboxers continue fighting.

If the kickboxer is not ready to continue when Referee comes to eight, Referee must count till ten and stop the bout. If the opponent does not go to the neutral corner on the command of the Referee, the Referee must stop counting until the opponent has done so.

The counting shall then be continued from where it had been interrupted.

### **Opponent’s responsibilities.**

If a kickboxer is “down”, his opponent must at once go to the neutral corner facing the center of the ring with his hands down as designated by the Referee.

### **Mandatory eight count.**

When a kickboxer is “down” as the result of a strike, the bout shall not be continued until the Referee has reached the count of eight, even if the kickboxer is ready to continue before then.

### **The Knock Out.**

If the kickboxer is not ready to continue after the Referee has counted to eight, Referee will count nine and ten and then he will say “OUT”.

After that command the bout will be stopped and the bout will be declared as victory by KNOCK OUT (KO).

### **Kickboxer “Down” at the end of round.**

In the event of a kickboxer being “down” at the end of any round, the Referee shall continue to count. Should the Referee count up to ten, such kickboxer shall be deemed to have lost the bout by a Knock Out. In case that kickboxer is ready to continue fighting on eight and the round is already finished, Timekeeper will not ring the gong. Timekeeper must wait until Referee gives command to both kickboxers (Fight) to continue fighting and then “Stop” for the end of the round.

In case if it was the last round of the bout the Timekeeper will ring the gong when the time expires no matter of the Referee’s counting.

### **Second time kickboxer “Down” without a Fresh Blow.**

If a kickboxer is “down” as the result of a strike and the bout is continued after the count of eight has been reached, but the kickboxer falls again without having received a fresh blow, the Referee shall continue the counting from the count of eight at which the Referee stopped.

### **Both kickboxers “Down”.**

If both kickboxers go “down” at the same time as a result of strike or serious of strikes received, Referee will start counting and it will be continued as long as one of them is still “down”. If both kickboxers remain “down” until ten, the bout will be stopped and both kickboxers will lose by KNOCK OUT.

### **Compulsory Count Limits.**

When a kickboxer has three (3) three count down in the whole bout, the Referee shall stop the contest (RSC or RSCH).

### **Art. 14. – Injuries.**

The bout must be stopped if an injury occurs or if the equipment is not in order.

The bout may only be stopped by the Referee (the Judges or Official Doctor may notify the Referee that the time must be stopped). In the event of injury, time may only be stopped until the Official Doctor decides about the seriousness of the injury, that is, whether or not the bout can continue or whether it must be stopped. Treatment of the injury can only be done in between rounds or after the bout.

An interruption made by Official Doctor should not exceed 2 minutes.

If the injury needs to be treated, the bout must be stopped. In any case, cuts cannot be taped. If the bout is stopped due to injury, the officials must decide:

- who caused the injury.
- whether or not it was intentional.
- whether or not it was self-inflicted.

If the injury was not intentional and the injured kickboxer cannot continue fighting immediately, the uninjured kickboxer is declared the winner by RSCI.

If the injury is due to a violation of the rules, the responsible kickboxer is disqualified.

If the injury is due to his own fault, the other kickboxer is declared the winner by RSCI.

In case of any injury, the Official Doctor has the right to instruct Referee whether a kickboxer can or cannot continue to fight.

The Official Doctor will communicate his decision to the Referee who will act accordingly with approval of the WAKO PRO Supervisor.

A kickboxer can at any time give up fighting, raising his arm to indicate surrender. In this case the Referee will stop the bout.

The other kickboxer will be declared to be the winner by retirement (AB).

#### **Art. 15. – Procedure after KO, RSC, RSCH, Injury.**

If a kickboxer gets injured in a bout the Official Doctor is the only person that can evaluate the circumstances.

If a kickboxer remains unconscious, only the Referee and the Official Doctor in charge will be allowed to stay in the ring, unless the doctor needs extra help.

#### **Procedure after KO, RSC, RSC-H, Injury.**

A kickboxer who has been knocked out due to a head strike during the bout, or if the Referee has stopped the bout due to severe head trauma which prevents him continuing, will be examined by Official Doctor immediately afterwards, and accompanied to hospital by the ambulance on duty.

A kickboxer who has been knocked out due to a head strike during the bout, or if the Referee has stopped the bout due to severe head trauma which prevents him continuing, will not be allowed to take part in another bout for a period of at least 4 weeks after the KO.

A kickboxer who has been knocked out due to a head strike during the bout, or if the Referee has stopped the bout due to severe head trauma which prevents him continuing, two times in a period of 3 months, will not be allowed to take part in another bout for a period of at least 3 months after the second KO or RSCH.

A kickboxer who has been knocked out due to a head strike during the bout, or if the Referee has stopped the bout due to severe head trauma which prevents him continuing three consecutive times in a period of 12 months, will not be allowed to take part in a bout for a period of one year after the third KO or RSCH.

To above mentioned quarantine periods the Official Doctor at place can extend the quarantine period if necessary.

Also doctors at hospital due to tests/scan of head can further on extend the quarantine

period.

A quarantine period means that a kickboxer cannot take part in no competition in kickboxing no matter what the discipline are.

The quarantine periods are "minimum period" and cannot be overruled even though a head scan shows no visible injuries.

The Referee will instruct Judges to mark KO or RSCH or RSC on their scoring papers, when he has stopped the bout due to the kickboxer's inability to resume the bout because of head blows.

The same has to be reported by the WAKO PRO Supervisor on duty on the kickboxer's sport pass.

This is also the official result of the bout and it cannot be overruled.

Before resuming fighting after a ban, as described in the above paragraphs, a kickboxer will, after a special medical examination, have to be declared fit to take part in competition by a sports doctor.

When registered a KO or RSCH a kickboxer must get a CT Scan of the head.

#### **Procedure if injuries in general.**

In case of injuries besides KO or RSCH the Official Doctor can give a minimum of quarantine period and recommend treatment at hospital. Official Doctor can require immediately treatment at hospital.

If a kickboxer or delegates from kickboxer team denies Official Doctors medical advice, the Official Doctor report in written form immediately to WAKO PRO Supervisor that all medical responsibility are denied and are in the hands of the kickboxer and his team. However, the official result stays valid.

#### **Art. 16. – Medical Aptitude.**

A kickboxer will be allowed to fight in a WAKO PRO event only after having been declared fit for it by Official Doctor, named by the WAKO PRO Representative and approved by WAKO PRO Supervisor, in the country where WAKO PRO event takes place.

All kickboxers fighting abroad will need to have a certificate established by a medical doctor, certifying that the athlete, before leaving his country, was in good physical condition and had no injuries, infections or medical problems that could affect his ability to fight in the visiting country.

This certificate “FIT TO FIGHT” will be attached to the national sport passport of the kickboxer, according to the practice of his/her association and presented during the medical examination which will precede weigh-in. One- eyed, mute and epileptic kickboxers are not allowed to fight. Hard contact lenses are forbidden while the kickboxer is in the ring.

A kickboxer will not be allowed to take part in a bout if he has bandage on a wound, a cut, an injury, an ulceration, a laceration or blood flowing on the head or face, nose and ears included

**Art. 17. – Doctors' Aide.**

A recognized Official Sports Doctor must be present throughout the WAKO PRO event and must not leave his place before the end of the last bout or before seeing the kickboxers who have taken part in it.

There must be ambulance personnel on site with minimum one ambulance car.

**Art. 18. – Health of kickboxer.**

WAKO PRO is an official member of WADA, having fully adopted their Code.

Every kickboxer is asked to respect it and to train without using drugs which can affect his performances.

Any drug or chemical substance ingested by a kickboxer, which is not included in the kickboxer's normal diet, is forbidden.

Any kickboxer or official violating this Code may be disqualified or suspended by WAKO PRO.

Any kickboxer refusing to submit to a medical examination or doping test prior or after a bout, in order to verify that he has not broken this rule, may be disqualified or suspended.

The same will occur in the case of an official encouraging such a refusal.

The use of local anesthetics is allowed, if agreed upon by a doctor from the Medical Committee.

WAKO PRO refers to and adopts WADA Doping Rules.
